Property Location: ILM Business Park is located in Southeastern NC, centered on the U.S. East Coast between New York and Miami. The property has easy access to major roads like I-40, Hwy 74-76, Hwy 421 and Hwy 17. The ILM Business Park is conveniently situated approximately 4 miles from downtown Wilmington and 8 miles from Wrightsville Beach. The deep-water Seaport of Wilmington is located approximately 7 miles from the ILM Business Park by road. Wilmington International Airport (ILM) with two airline carriers is located on-site, making domestic and international travel extremely convenient.

Property Description: ILM Business Park is situated on the campus of Wilmington International Airport (ILM) and composed of approximately 140 acres of land with available power, water and sewer, with some sites having additional access to natural gas. Several sites have the ability to drain storm water off-site to a dry retention pond allowing greater land development. Many acres have access to an active railroad operated by CSX. All parcels are zoned Airport Industrial (A-I) and have the flexibility to be resized in order to accommodate your particular project. ILM Business Park can accommodate most business types, to include Class A office buildings, warehousing, distribution and light industrial. Sites are available for taxiway access for airfreight or aerospace industries. Please see the attached layout for a general idea of parcel sizes, sewer, water, natural gas, railroad, taxiway, runways and road locations.

Financial: Sites within the ILM Business Park are offered as a lease arrangement, allowing flexible term lengths. Under the leasing arrangement existing clients have experienced successful financing through banks and other financial institutions. Leasing offers clients an advantage of a smaller financial outlay annually for land lease, compared to an initial very large financial commitment to purchase land. Leasing also eliminates the annual property tax burden on the land. Locating your business within the ILM Business Park allows close proximity to downtown and convenience to surrounding business districts without the financial burden of Wilmington City taxes.

Current Clients: 84 Lumber, Veterans Administration (VA) Outpatient Clinic, National Weather Service, Battle House, Toshiba Business Solutions, KBT of Keller Williams, Scratch on 23rd cafe, Wilmington Business Development, Enterprise Leasing Company – Southeast LLC, and Superior Mechanical Incorporated.

Quality of Life: Wilmington is located on the Southeastern coast of North Carolina between the Atlantic Ocean and the Cape Fear River and offers an extremely high quality of life. Within an hour's drive, you will find 50 high quality golf courses, 30 marinas and miles of pristine beaches. Families will spend time in the historic downtown area, strolling along the river walk or taking in a show at one of the many theater houses. In the Wilmington area, you will find everything from boating, sailing, surfing, fishing, hunting, paddle boarding and competitive sports, to a flourishing arts community or a simple walk on the beach.

Wilmington provides impressive educational opportunities for continued education or work force training from such schools as Cape Fear Community College and University of North Carolina-Wilmington. New Hanover Regional Medical Center offers premier state of the art healthcare to the region.

Next time you are looking to relocate to the southeastern part of the United States, consider ILM Business Park in Wilmington, NC for shovel-ready sites with easy access and an excellent quality of life.
